North Central High School	Indianapolis, Indiana
North Central Academic Honors Diploma	2010 – 2014

- National Honors Society, Member
- Advanced Placement Scholar Award

EXPERIENCE

Blue Burro	Bloomington, Indiana
Software Developer, part-time, semi-remote	Dec. 2015 – Current

At Blue Burro I assist in building and maintaining custom web apps to simplify business infrastructure and process management, mostly using the ExtJS JavaScript framework. I have implemented many features in our web apps, including in-app pop-up help documentation, a notification system, and various UI improvements.

Neomatix	Tel Aviv, Israel
Software Engineering Intern	Summer 2015

At Neomatix, I used Python extensively to create a video streaming network that allows for remote access to live video recording as well as software that starts and supervises embedded scripts on Neomatix's beta hardware.

SKILLS AND TECHCHNOLOGIES

- **Proficient**: Python, Java, Scheme/Racket
- **Prior Experience**: JavaScript (ExtJS and p5.js experience), PHP, CSS / HTML
- **Other**: Git, Linux / Unix, OSX, Bash, Vim
